OUR PRAYER

Our prayer is for people who are suffering from destructive lifestyles, that they would transition into healthy, productive lives. Restoration would be achieved through a relationship with God and partnering with other people in the recovery community. We hope that people will understand how selfish decisions imprison us and how acts of generosity can set us free. There is a life beyond selfishness, criminal activity, and failure. Where there is life, there is hope.

YOU CAN HELP

Behind the Wire Ministries is a 501c3 nonprofit organization. We gain funding for our mission through donors, sponsorships, and partnerships. We rely on generous people and organizations to help fund our mission to our recovery home residents and the incarcerated population. We graciously accept your prayers and financial contributions.

BTW

**BEHIND THE WIRE
MINISTRIES**

MISSION STATEMENT

We exist to provide practical and spiritual guidance to our incarcerated population and those transitioning back into society. We believe for this to happen successfully, a biblical foundation is key, as well as the support of a healthy environment. BTW practices accountability with an emphasis on mentorship and community.

VISION STATEMENT

To provide an opportunity for people to become productive members of our society.

VALUES

1. **Authenticity:** We believe in being genuine and sincere in our approach to ministry.
2. **Integrity:** We are consistent with strong moral principles.
3. **Competency:** We believe in growing our capacity and capabilities.
4. **Inspiring:** We stimulate action in others by our example.
5. **Community:** Recovery is achieved through relationship.

GOALS

To restore moral and ethical values through a relationship with God.

To be a catalyst that motivates individuals to live up to their full potential.

To eliminate negative factors which produce criminal and addictive behavior.

To provide educational tools and life skills, including social skills, to those in need so they may rejoin society as responsible and contributing members of society.

To assist and/or work alongside the criminal justice system to help accomplish these aims.

To help provide effective and affordable transitional housing and programming.

WHAT IS BEHIND THE WIRE MINISTRIES

Behind the Wire Ministries is a 501c3 nonprofit organization established by founders Scott & Dannielle Highberger in 2019. BTW is also a level III certified recovery residence in the state of Indiana. We provide a balance of faith and evidence-based treatment to our incarcerated population, and we offer transitional housing to men upon their release.

BTW exists to provide practical and spiritual guidance to our incarcerated population and those transitioning back into our society. We believe in order for this to happen successfully, a biblical foundation is key, as well as the support of a healthy environment. BTW practices accountability with an emphasis on mentorship and community.

Having personal experiences in the addiction and recovery process, our founders started BTW to help our incarcerated population, and it grew into the ministry it is today. As our organization continues to expand, our goal remains the same, it is to provide an opportunity for men to become productive members of our society.

BTW headquarters is located in Loogootee Indiana. The Loogootee campus offers weekly chapel services that are open to the public on Thursday nights at 6:30 p.m. and Sunday nights at 5 p.m.
